NEURO - LINGUISTIC RE-PROGRAMMING of SOUL FAMILY AGREEMENTS....

We all make loving agreements which limit our joy, our life choices, and keep us "stuck" in limited lives. Understanding the power and degree of love required to live up to these agreements leads to immediate awareness of the awesome Divine Love at the core of our being. When these agreements are made null & void, joyful tears & laughter—followed by a deep peace-- are the usual results.

Lunch 1:00 – 2:00

C. USING NLP to RE-ASSIGN PARTS OF YOUR PERSONALITY TO SUPPORT YOUR INTENTIONS 2:00 – 3:30...

... then integrate and share your new insights and state of being. This module will conclude with personal action planning for applying new energy in your "everyday world."

30 Minute Break & Refreshment

D. REFLECTING, SHARING AND CELEBRATING: 4:00 – 5:00
